

NWTN Script

QST, QST, QST. This is Net Control Station [**Call**] calling the Northwest Traffic Net. My name is [**Name**]. I am located in [**your location**].

This is a directed net. This net meets every evening at 6:30pm, here on the K7ID linked repeaters; Mica, 146.980 MHz with a tone of 127.3 Hz and a (-) offset AND Canfield, 443.975 MHz with a tone of 136.5 Hz and a (+) offset. These are linked to better our coverage.

All Amateurs are welcome and invited to check in. {Unkey; Pause only momentarily}

This net provides an opportunity to pass written traffic, allowing our net participants to better their message traffic passing skills. QSO's can be coordinated.

Each night has its own net control operator, but we are always looking for substitutes, so feel free to volunteer with our Net Manager, Gabbee KE7ADN

{Unkey; Pause only momentarily}

All stations stand by for check-in. Be advised that STATIONS WITH EMERGENCY TRAFFIC MAY BREAK IN AT ANY TIME. (Unkey; let repeater drop out)

- *(Starting with early ins and outs for about 10 mins AFTER net starts)*

This is Net Control Station [**Call**] now calling for Early in and outs, please come now.

- *(regular check-ins) [make sure all stations clear their callsigns after transmission]*

Moving on to Regular checkins, When checking in, Please list any traffic or contacts then hold for direction from Net Control.

This is Net Control Station [**Call**] now calling for Regular Check ins, please come now.

- *{IF TRAFFIC} [make sure all stations clear their callsigns after transmission (Ask if there is someone capable to take their traffic . If not, you as net control needs to take it.)]*

This is Net Control Station [**Call**]. Now calling (**station**) to pass their listed traffic with (**2nd station**) all others standby for net: *{handle accordingly, then move back to check ins}*

- *{IF NO TRAFFIC Listed, skip to announcements}*
- *Announcements & Local Upcoming Events*

1. ARES Meeting on 1st Monday of the month at 6:30PM at the Search And Rescue Building located at 10865 N. Ramsey Rd. in Hayden
2. KARS Meeting on 2nd Monday of the month at 7PM at the Search And Rescue located at 10865 N. Ramsey Rd. in Hayden
3. VE Testing is also on the 2nd Monday of the month at 5:30 PM prior to the KARS Meeting
4. (Add Events that are up and coming)

Repeat calls for checkins until last couple of minutes of net. If lots of dead air, you can choose to do something fun, like trivia or questions, or round robin QSO.

This is net control station [Call] now calling late or missed stations or traffic of any kind.
{Unkey; then handle accordingly}

Good evening and thank you all for checking in. My name is [Name] wanting to thank the K7ID members for the use of these repeaters. Tomorrow night net operator will be [NCO for next night]. I'm now turning the K7ID Repeaters back to their normal use. [Call] clear!!

(Call KE7ADN or KE7ADT and report number of checkins if not available after net, email to superbowldiva@gmail.com)
